

WYNDHAM RESOURCES UK LIMITED

HEALTH AND SAFETY POLICY

This statement relates to the general policy and arrangements for Wyndham Resources UK Limited to ensure compliance both in terms of its own staff, and any subcontractors employed by us.

We are committed to meeting all relevant health and safety standards in conducting our everyday business, as far as is reasonable practicable.

Our principal activity is in the brokering of hazardous and non hazardous waste streams by identifying where such materials can be treated using the best environmental and economical techniques available.

We appoint contractors that can demonstrate responsibility, experience, and fully trained staff to ensure that they meet the requirements of ours, and our customer's health and policy statements.

Our general policy statement is:

- To provide adequate control of the health and safety risks from our work activities
- To consult with our customers and subcontractors on matters affecting their health and safety, due to such activities
- To ensure that our subcontractors maintain their plant and equipment
- To ensure the safe handling of waste streams
- To provide full instructions, method and risk assessments to our customers and subcontractors to minimise risk
- To ensure that our subcontractors are trained
- To prevent accidents
- To maintain safe and healthy working conditions
- To review and revise this policy, if necessary, on an annual basis
